

Five

Implementation steps for the CALIPER Charter

01

START FROM EXISTING NETWORKS

Map your Research & Innovation ecosystem networks with gender+ lenses

CHOOSE ALLIES

Build collaboration on shared challenges

02

03

USE CO-CREATIVE APPROACHES

Innovate on ways to jointly determine collaborative actions

DOUBLE FOCUS

Balance efforts towards internal change and ecosystem-wide improvements

04

05

MAKE IT SUSTAINABLE

Ensure enough people and financial resources available for the collaborative efforts

CALIPER
Gender Equality in STEM Research

This project has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement No 873134.
